Beginning with FY2026 (7/1/25), the Department for Medicaid Services (DMS) will implement a phase-in of the Quality Incentive Program. The provider tax add-on allowance of \$41.43 will be reduced and a quality pool will be created. Providers will earn a quality add-on per diem based on the DRAFT measures below. The highlighted measure is “up for discussion”.

<u>Quality Measures Utilized</u>	
Quality Measures and Balancers Utilized	
Percentage of long-stay residents with a urinary tract infection (QM #407)	
Percentage of long-stay residents experiencing one or more falls with major injury (QM #410)	
Percentage of high risk long-stay residents with pressure ulcers (QM #453)	
Percentage of long-stay residents who received an antipsychotic medication (QM #419)	
Percentage of long stay residents who have depressive symptoms (QM#524)	

Myers & Stauffer will post a “draft” Score card of the quality measures in the portal within the next 2 weeks.
